

Welcome to the Throop Police Department website. I am proud to present this information on behalf of all the police officers.

Thank you for taking a few minutes to learn more about our police department here in the Borough of Throop.

Our officers have a reputation for professionalism and are highly respected for their ability to keep people safe. I pledge to continue to keep this community safe while putting the department at the forefront of modern policing.

Public safety works best when it is a collaborative process. As we look ahead, we will rely on a date-driven approach to public safety that promotes transparency and provides regular communication with those living in our community.

I am committed to strengthening community ties, committed to transparency in policing, and committed to holding ourselves accountable. These are the bedrock principles of modern day policing that will guide me as I lead the dedicated officers of the Throop Police Department.

I look forward to working with you as we continue to make Throop a great place to live, work and visit.

We care about everything we do, from the smallest, most mundane task to the most complicated and critical services we provide in emergency times.

In closing, I look forward to the challenges we will face together to keep our community one of the safest in the region, and to the partnerships, we will continue to build.

Thank you
